

ENTERTAINMENT AND LEISURE PARK

TonyResort is set in a beautiful Lithuanian location – the managed pine forest of Anupriškės. Lake Gilušis sparkles within the territory of the park and from the hilltops you can see peaceful forest landscapes and a real Lithuanian swamp. These are our most valuable assets in this business – the gifts of nature that can be ‘tasted’ by all who visit us.

COMBINING LEISURE AND ENTERTAINMENT

We have created and maintained a natural haven, in which the architecture of leisure and entertainment combines harmoniously. Right from the start our aim was that visitors to TonyResort would first pause to breathe some of the invigorating pine-forest air and only then start to enjoy the various adventure and entertainment activities, camouflaged by the high pines of the forest.

RESTAURANT

- Attentive service.
- High quality cuisine.
- Exceptionally tasteful grilled dishes.
